Dear Case Master Johnson:

This letter is to confirm our telephone conversation regarding Plaintiff's Rule to Show Cause/Motion to Strike recently filed against the CMA and pertaining to documents designated as confidential by the CMA. It is the position of the Chemical Manufacturer's Association that we no longer wish to assert confidentiality on documents produced to Plaintiff's counsel heretofore and which were stamped as confidential pursuant to the Case Management Order No. 3. The CMA reserves it's right to assert confidentiality as to any documents which are produced hereafter, if any. I understand from speaking with you that Plaintiff's Rule to Show Cause/Motion to Strike is now set aside and no hearing will take place on this motion.

With kindest personal regards, I remain

Very truly yours,

YUL D. LORIO
